Fundraiser Party Report

The party and fundraiser for our University Community Association was a resounding success. Over \$1500 was collected for tickets and the silent auction. Bidding was swift and furious on many items. Bob Singleton's voice (WOSU's Karl Castle) was for sale on an answering machine at the UCA fundraiser. The silent auction was the source of many things but Bob's voice was one of the highlights. Original artwork, organizing services, wine, and many other items were auctioned off. The bidding brought nearly \$800 into UCA's coffers.

. Other items included a beautiful backgammon set from the Mediterranean Store, Café Brioso's coffee and gift card, organizing consultation by Kay Marshall, original hand made pierced earrings by Sylvia Efta, two

Blue Jackets tickets and a parking tag from Bill Graver of Buckeye Realty, a membership, walking tour, City

Hop tickets and a print from the Columbus Landmarks Foundation, Columbus Coffee Mug and goodies from Bob Wicks, books from Sharon Young, a print of OSU Stadium from Conrads, Columbus Jazz Orchestra tickets from Jon & Oliva Riley and three hours of babysitting by and from their daughter, artworks by Dianne Efsic and Luther McGee and a color photograph of four Heisman Trophy winners with Woody Hayes signed by Archie Griffin. Still available is a Kimball piano donated by Paul and Lisa Newkirk. We thank all the generous donors and bidders. And a thousand thanks to John & Doreen Uhas Sauer for their generous hospitality in providing excellent provisions and their beautiful home for the event.
